MR KEMP'S MESSAGE

Today is the last day of Term 2 for 2012. It has been a very busy and constructive term for both staff and students!

Some of the highlights for Term 2 include: Book fair, Life Education, Cross-country, the Financial Literacy programme presented by ASB, seven-a-side winter tournament, electives and Mainpower Sports (volleyball) for our senior student's. The snowball fight between staff and students was also a highlight for all with staff coming off second best!

Yesterday, I joined Colin from the Waikari Fire Service to accept a Mainpower grant to help contribute towards the cost of enhancing the vacant lot adjacent to the Waikari Fire Station. We look forward to continuing this project in Term 3.

Sadly we farewell one of our student's Shene Anglem who is shifting into Christchurch. We wish Shene all the best at her new school!

This week, we have a new pupil beginning school. A very warm welcome to Isabella Bamford who joins our Weka class.

Again we wish Mrs Lydon the best for her exciting new challenge for the remainder of the year. The science focus/ up skilling which Debra will bring back to Waikari School in 2013 will be a huge addition for both our students and staff. Good luck Debra! In Debra's absence, again I would like to extend a very warm welcome to Mrs Gibson who will be teaching in Kea!

Have a wonderful and relaxing safe break everybody!

Ka kite ano

7 A SIDE

7 a-side was on Tuesday the 25th of June at Amuri Area School in Culverden, Waikari school years 4,5,6,7 and 8 thoroughly enjoyed the 7 a-side tournament. 7 a-side is when we play 3 sports netball, soccer and rugby in teams of 7 against other schools. This is to teach us lots of things including how to have great fun even if we didn't win. Unfortunately it got a bit chilly and we left before we could play our last sport.

HERE IS A SAMPLE OF OUR WORK FROM KAREAREA

Finn had the task of choosing a sample of work to share with you this week. He has chosen a sample of writing from our publishing books, this one comes from Frazers and is a description of the Waikari Memorial Hall.

WAIKARI Memorial Hall

Waikari memorial hall is down the west end down the main street of Waikari.

This hall is used for meeting, productions, parties, movies and gym. I've been up in the movie room where they show movies. There are lots of steps up to the top room and it can fit 10 people in there.

Waikari is an older building.

The hall has big red doors and it has a pointy and flat roof. There are trees and plants outside the front of the hall and a grass area. There is writing outside before you walk inside.

The hall has metal rails to help you get up the steps inside the hall there are 5 rooms .1 room is a main room , 1 room is a supper room and the other room is to put up tables and to put food on them. There is a chair room there is also a place where you cook food and make drinks.
